INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Environmental Advocates of New York, Inc.
Albany, New York

We have audited the accompanying financial statements of Environmental Advocates of New York, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2017 and 2016, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Environmental Advocates of New York, Inc. as of December 31, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Notes to Financial Statements

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Activities of the Organization

Environmental Advocates of New York, Inc. (the Organization) is a corporation organized under the New York State Not-For-Profit Corporation Law. The Organization's principal activities include researching, analyzing, and raising the public's awareness of environmental issues and New York State's role in addressing those issues. The Organization monitors the development and enforcement of New York's environmental laws and helps ensure that New York enacts and enforces policies that protect our natural resources and safeguard public health. The Organization is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

Financial Statement Presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates.

Cash and Cash Equivalents

For the purpose of the statement of cash flows, the Organization considers all cash and highly liquid investments with original maturities of three months or less to be cash equivalents.

The management of Environmental Advocates of New York, Inc., has set up a cash reserve to accumulate funding for building repairs and improvements. Each month \$1,477 is added to the cash reserve account.

Advertising

The Organization expenses advertising costs as they are incurred. Advertising costs for the years ended December 31, 2017 and 2016 were \$25,401 and \$6,078, respectively.

Property, Plant, Equipment and Depreciation

Property, plant and equipment are stated at cost when purchased or fair market value at the date of donation. Expenditures for additions, renewals and betterments are capitalized; expenditures for maintenance and repairs are charged to expense as incurred. Upon retirement or disposal of assets, the cost and accumulated depreciation are eliminated from the accounts and the resulting gain or loss is included in income. Depreciation is provided on a straight-line basis over the estimated useful lives of the respective assets. Depreciation expense for the years ended December 31, 2017, and 2016, was \$20,767 and \$21,330, respectively.

Grants, Contributions and Promises to Give

Grants and contributions are recognized when the grantor or donor makes a promise to give that is, in substance, unconditional. Grantor or donor restricted grants and contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.

Notes to Financial Statements

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

The Organization uses the allowance method to account for uncollectible grants receivable and unconditional promises to give. The allowance for doubtful accounts is based on management's identification and evaluation of past due receivables, which includes an assessment of the individual factors that have contributed to the delinquency. Based on such evaluation, the Organization considers grants receivable and unconditional promises to give to be fully collectible. Accordingly, no allowance for doubtful accounts is considered necessary.

Donated Services

Contributions of services are recognized when they are received if the services (a) create or enhance non-financial assets, or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not donated.

There were no contributed services in 2017 or 2016.

The Organization relies on donated personal services from graduate and undergraduate-level students, many of whom are fulfilling course requirements. The donated services equate to approximately one quarter position. The value of such services is not reported in the financial statements as the services do not meet the specialized skills requirement of accounting principles generally accepted in the United States of America. Nevertheless, the services are vital to the mission of the Organization.

Investments

Investments in publicly traded marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.
